SELECTMEN'S REPORT

Nineteen ninety-four has been an eventful and productive year. We have made every effort to work in a cordial and cooperative manner with all departments, volunteers, and members of the public.

In this spirit of cooperation, much work has been done in the Town Hall with several projects funded by the remaining Town Hall Building Fund at or near fruition, as well as the Police Department renovation being completed. Thanks go to each and every one who lent a helping hand. We look forward to being able to paint the Town Hall and beautify some of the other buildings prior to the Bicentennial Celebration in June.

The Bicentennial Committee and many volunteers have been hard at work preparing for a variety of festivities on Saturday, June 3rd and Sunday, June 18th. Watch for the History of Danbury to be available for sale prior to the celebration!

While all of these activities have been going on, the Danbury Workshop has quietly been working toward obtaining a grant, which has been done, and requests for proposals for the feasibility study on the Baptist Church building are in the process of being submitted.

Again in 1994, we were able to reduce taxes, primarily by a larger than expected revenue from the Yield (Timber) Tax and maintaining a very tight budget. While we have been fortunate the past two years, it does not look as though the trend can hold for another year.

The Town was saddened recently by the loss of Art Perry, Chairman of the Recreation Committee.

We appreciate the efforts and dedication of all the volunteers in continuing the work of the Planning Board, Budget Committee, Trustees, Firemen, FAST Squad, Recreation Committee, etc., and recognize their importance to our Town. We hope we have been able to foster a spirit of cooperation and that it will continue to grow.

Sincerely,
James D. Phelps
Sylvia A. Hill
James M. Larkin
Selectmen of Danbury

 - (3) Misuse of power, acceleration or traction by means of rapid upshift or downshift of transmission gears; or
 - (4) Racing of engine by means of the accelerator, carburetor, gear selector, either when the motor vehicle is in motion or stationary; or
 - (5) Misuse of power, acceleration so as to lift the front wheel of any motorized cycle in the manner commonly known as a "wheelie."

IV. In this section:

- (a) "Lawful order" means a command issued by a Peace Officer per RSA 594:1 to any person:
 - (1) For the purpose of preventing said person from committing any offense set forth in this section, when the officer has reasonable grounds to believe that said person is about to commit any such offense, or when said person is engaged in a course of conduct which makes his commission of such an offense imminent; or
 - (2) To stop him from continuing to commit any offense set forth in this section, when the officer has reasonable grounds to believe that said person is presently engaged in conduct which constitutes any such offense.
- (b) "Public place" means any place to which the public or a substantial group has access. The term includes, but is not limited to, public ways, sidewalks, schools, government offices or facilities and the lobbies or hallways of apartment buildings, hotels or motels.

V. Disorderly actions is a violation, punishable by a fine up to, but not exceeding, \$1,000.00.

This ordinance shall take effect upon passage.

- 19. To see if the Town will vote to discontinue the road from "Plowman's Driveway" to the boundary of Ragged Mountain Ski Area Land as provided for in RSA 231:43.
- 20. To see if the Town will vote to authorize the Board of Selectmen to accept, on behalf of the Town, gifts, legacies, and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.
- 21. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95-e. The Selectmen must hold a public hearing before accepting such gifts, and the acceptance shall not bind the Town to raise, appropriate, or expend any public funds for the operation, maintenance, repair, or replacement of any such personal property.
- 22. To see if the Town will vote to authorize the Selectmen to sell any material or equipment deemed surplus to the Town's needs.
- 23. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty-Second day of February, in the year of our Lord Nineteen Hundred and Ninety-Five.

BUDGET COMMITTEE REPORT

The Budget Committee has faced some rough issues this year. We had over-expenditures in a few accounts, which makes the Budget Committee ask itself if we appropriated enough money last year, or if some of the problem came from an increase in demand budgets and the rising cost of doing business.

It is hoped that the selectmen will have a wage scale in place before our second hearing. It has been extremely hard to calculate peoples' worth in terms of dollars. It has fallen to the Budget Committee to do just that. Danbury has been fortunate to have a lot of people donate their time and labor at reduced rates. This has kept costs down in the past. We should try to adequately compensate people for the great job they do, but this will also mean an increase in some budgets this year in an attempt to keep the high level of competency that we enjoy at the present time.

I would like to take this opportunity to thank my fellow budget members for all of the hard work and late nights that have comprised the last few months. I would also like to thank the Selectmen for their cooperation, with a special thanks to Sylvia Hill, the selectmen's representative to the Budget Committee, and Laurie Hunt, the selectmen's secretary.

After serving Danbury on the Budget Committee for the past eleven years, it is with much regret, that I have decided not to run for another three year term. A lot has changed in town in the past eleven years, but one thing has not. The largest part of your property tax dollar goes in support of schools. I would like to remind people to exercise their right to vote and to please attend the school district budget hearings and the district school meeting.

Respectfully submitted,
Christine Gealy, Chairman

AUDITORS' REPORT

We, the undersigned auditors of the Town of Danbury certify that we have examined the accounts of the Treasurer, Town Clerk, Tax Collector, Selectmen, Trustees of the Library and Trust Funds, and Boat Permit Fee Agent for the fiscal year 1993 and have found the same to be correctly cast and well vouched.

Arthur S. Ford

Leo V. Zaccaria

The Auditors are reviewing the accounts for 1994 and will report their findings as required by law by June 30, 1995.

DANBURY PLANNING BOARD

In 1994 the Danbury Planning Board had 18 meetings, in addition to six meetings of the Board's Housing and Community Development Plan/CDBG Grant Committee. The Planning Board approved six subdivision applications involving 19 lots; it approved one lot line adjustment request, and it provided technical assistance to property owners considering another lot line adjustment. Planning Board members served on the Bicentennial Committee, Budget Committee, Danbury Workshop (Baptist Church) Committee, and E-911 Committee. Kendra Fifield was appointed to fill a vacant alternate position. Kendra and Phyllis J. Taylor were designated as our representatives to the Lakes Region Planning Commission; Phyllis remained a member of LRPC's Board of Directors, and was elected LRPC Treasurer.

We continued to benefit from our stronger linkage with LRPC; as in 1993, LRPC staff provided technical assistance for computerized mapping, the Capital Improvements Program, and transportation planning. Several Planning Board members attended the LRPC annual meeting where former board member, Mary Lyn Ray, was honored for her conservation achievements. Board members tried to take advantage of every available training opportunity; Danbury was represented at workshops on conflict resolution, municipal budgeting and Capital Improvements Programs, expanded 911, Community Development Block Grants, the Lakes Region Charitable Foundation, the Shoreland Protection Act, and at the Municipal Law Lecture Series on roads, easements, nonconforming uses, and water protection. Danbury was also a participant in the Office of State Planning's semi-annual training workshops for land use boards. We began to develop a planning library of reference books, articles, and copies of law lectures and manuals.

We invited two guests to make special presentations for us: Cary Gladstone of DRED explained the State Business Visitation Program at a meeting to which we invited planning boards from neighbor towns; and Gerald Howe of UNH Cooperative Extension described the "Community Cornerstones Project". We hope Danbury will be a future participant in both programs.

Danbury was honored to be one of only five NH communities selected to participate in the Lincoln Institute of Land Policy's "Land Policy Forum for Planning Officials", a monthly series of interactive workshops in Cambridge, MA, extending from October 1994 to May 1995. Our expenses are covered by a scholarship valued at approximately \$1,250.

In 1994 the Planning Board adopted its first Capital Improvements Program. The CIP is a six-year schedule of the Town's anticipated capital expenditures. It is meant to be a strategic plan which is revised and updated annually - a way to balance what the Town wants and needs with its resources and financial capability. A CIP can help stabilize tax rates by spreading out major expenditures, and it can also help the Town to determine developers' impact fees for necessary improvements caused by development proposals.

The Planning Board also adopted a Housing and Community Development Plan as an amendment to the Master Plan, in order for Danbury to be eligible for a Community Development Block Grant (CDBG). We determined statistically that Danbury appears to have a sufficient supply of affordable housing. The plan states that "new residential and community development should respect and reinforce local and regional character, complementing it not only through basic building forms and materials, but also in compatible siting, grouping, and scale, and in the way it relates to the natural landscape and to existing buildings and places; and it should be planned in such a way that it nurtures and strengthens, rather than ignores or negates, the structure of community life." It also states that future development must be planned to provide "satisfactory and suitable housing opportunities for people and wildlife, in an enjoyable setting where nature and community both contribute to a desirable and beneficial quality of life for all."

In correlation with the Housing and Community Development Plan, the Planning Board worked with Leo Zaccaria, Chair of the Danbury Workshop Committee, to prepare a successful CDBG grant proposal for a feasibility study of converting the former Baptist Church to a community service center. Danbury was awarded a grant, in the maximum amount of \$12,000, on the very first try. Special thanks are due to Leo and to everyone else who contributed to this extraordinary achievement.

Although we did not receive the Federal rural planning grant we sought in 1993, our application made it to the final round. We submitted a new proposal in September 1994, and hope that it will be funded in 1995. Whatever the outcome, we will continue to seek financial and technical assistance for Danbury betterment projects.

In 1994, the Town Meeting appropriated \$10,100 for computerized tax mapping to standardize our local records in a format that could be easily updated in the future. We solicited competitive proposals from several highly recommended firms, but received only one application. No other firms were interested, apparently because of the extent of work that would be required. We are now considering the one proposal that was submitted - one which is comprehensive and very responsive to our needs - and we hope that the voters will agree to appropriate the additional funds to make it possible. Postponing action will not resolve our mapping problems, and will only make a future solution more complicated and expensive.

As a "bottom line" item, it should be noted that the Planning Board generates revenues from application fees and copies of regulations; but they have to be recorded as general revenue and not as an offset to our budget.

If you would like to learn more about local planning issues and opportunities, our regular meetings are at 7:00 p.m. in the Town Hall on the first Tuesday of each month. Everyone is welcome!

Respectfully submitted,
Linda Ray Wilson, Chair

DANBURY POLICE DEPARTMENT ANNUAL REPORT

When compiling the information for this year's Annual Report I took time to review the statistics and annual reports from the previous ten years. As predicted, the growth and development of Danbury has also meant an increase in the type of activity that requires the attention of Law Enforcement.

Comparing the increase of Police associated activity from previous years to 1994's activity on a percentage basis, the increase percentages are consistent. We have, however, reached a point of near saturation on our current resources. 1994 has by far taxed our Police Department more than any previous year. I attribute the statistical increase, as detailed, to a larger number of "transient" people, the growth of the ski area, public disorder [Hippy Hill], substance abuse and a very significant increase in juvenile crime. A Juvenile Diversion program has been initiated and members of the community have been very supportive in an effort to provide alternatives to both the high cost of juvenile court proceedings and the choices our young citizens must make.

With the community's support of the public disorder and drinking ordinances and positive peer pressure we can influence those who tax our resources the most because **DANBURY CARES!**

Dale, Jean and I thank you for the opportunity to serve our community and wish all of you a healthy and prosperous 1995.

DANBURY RECREATION DEPARTMENT

The Recreation Department meets on the second Thursday of each month. We would like to encourage anyone who is interested to attend our informal meetings.

Presently, volleyball runs on Monday nights from 7 - 9 p.m. from January until the end of the school year, then from September through the end of the calendar year.

In 1994 the Department sponsored two sessions of instructional line dance. Both were well attended. The first session was very successful.

Winter Carnival was held over February vacation. Events included "The Lumberjack Competition"; a torch light parade, dance, and "fun race" at Ragged Mountain; cribbage, whist, trivia, snowsculpting, a new event - broom hockey, and foul shooting. Raffle tickets were sold for a cord of dry wood. Trophies and ribbons given for each division of each event.

The playground was our project at Independence Park this summer. June Phelps was in charge of the planting of hundreds of trees, shrubs, perennials and annuals at the Park. If anyone has extras they would like to plant, please let us know.

Our midway, float and street dance went well on Grange Fair Day.

The end of the year saw a big rise in the price of aluminum, so we thank all of you who save your cans for the Recreation Department.

See you at the Park as soon as the flood waters recede.

REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER

In Calendar Year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail . Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officals, contact your local Warden or Fire Department to find out if a pemit is required. This also helps to prevent unnecessary response to a controlled burn.

DANBURY OLD HOME DAY ASSOCIATION

Old Home Day was observed on August 28, with the traditional Sunday church service and remembrances, held this year at the South Danbury Church. Families, neighbors and guests attending continued conversation over a picnic lunch at Walker Brook.

While many New Hampshire towns have discontinued the observance of Old Home Day—as families have scattered, and communities have grown, losing memory of their history and a sentiment for place—Danbury keeps a close and daily sense of what "our" poet Donald Hall has called "these mothering-fathering hills" and the life that has gathered here for two hundred years. Old Home Day is not the only day we speak of these things; but it seems good to have a day for coming together to renew our sense of home.

GEORGE GAMBLE LIBRARY REPORT

Hours 12-4 P.M. Saturday Librarian: Dorothy McGonnigal
Hours 6-8 P.M. Wednesday from April to October

Library circulation for the year was 2,836 for adult and children's books.
Many new books have been purchased, and many more donated. We also tried expanding the hours for the library to include Wednesday evening. Although attendance wasn't as high as hoped, the library will be open on Wednesday evenings again this summer.

Sincere thanks go to the following: All who donated books (and didn't leave a name); Kenny Phelps for lawn care; Chris Hakin for our clean windows; Frank Quinn for repair of the shelves holding children's books; The Andover Lions Club for the subscription to the large-type Readers Digest; Doreen Powden, Bristol Librarian, for allowing Dot to borrow books for the Danbury Patrons; and Mr. and Mrs. Russell Sandblom for the use of a portion of their field for library parking.

Returned to Owner: 3	Returned to Owner: 0	

From local Residents:

Dogs & Puppies: 11	Cats & Kittens: 17	TOTAL: 28
Stray Cats: 5		TOTAL: 5

Total number of ALL animals received: 38

Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer to use our services more in 1995.

PEMI BAKER SOLID WASTE DISTRICT 1994 ANNUAL REPORT

For the fifth year in a row, the Pemi Baker Solid Waste District organized and held a Household Hazardous Waste collection for the residents of all the district towns. The collection was held in the early summer this year, with district committee members volunteering their time to direct traffic, take the required New Hampshire Department of Environmental Services survey of all participants, and collect waste motor oil and automobile batteries. The turnout was very small once again, and the committee plans to offer a different program this coming year. Working with the Northeast Resource Recovery Association and North Country Council, the new program involves having several collection sites for paint for recycling and household batteries all of which will be accessible to all residents from April to October, in conjunction with a one-day collection in the fall. In this way we hope to be able to serve more people and collect a greater volume of toxic materials.

The State of New Hampshire requires that all towns in NH belong to a solid waste district and that each district have a long-term solid waste management plan which is updated every two years. The Pemi Baker Solid Waste District plan was updated this year by the district and the NH Department of Environmental Services approved the update in December 1994.

Membership in the Northeast Resource Recovery Association gave the district towns access to the new textiles recycling program. The district attempted to raise interest in a district-wide textiles recycling drive which would have raised money for the area's schools or civic groups while diverting another waste material from the towns' waste streams. We had very limited response from the towns, despite offering to cover all costs associated with publicity and coordination of the collections. We hope to offer the opportunity again in 1995 and encourage any interested groups or towns to contact the district coordinator, Marghie Seymour, at 444-0848.

Approximately one-third of the cost of operating the Pemi Baker Solid Waste District has been covered over the past several years by the interest earned on a capital reserve fund. The capital reserve fund was initially established with funds that were raised by the member towns and invested by the district after plans to build a district incinerator fell through. Members of the district committee voted in October 1994 to look into options for using the money in that fund on a recycling or solid waste management project, or projects, that would benefit all the towns in the district. We will explore those options this coming year.

Pemi Baker Solid Waste District meetings are held on the third Thursday each month at 7:00 p.m. Meetings are usually held at the Plymouth State College Facilities Services building and interested parties should contact their town offices for more information.

Thank you for your support of our services. We continually strive to ensure that all of our services are of the highest quality and available to all people who need them.

As a locally based tax-exempt organization, we support our communities by employing qualified people who live in towns from which we receive town appropriations and by purchasing goods and services from local vendors. In 1994, we employed 8 people from Danbury.

We depend heavily on the selfless support of volunteers who contribute hours to the success of our programs. For them and our Turstees, we are grateful.

**BRISTOL COMMUNITY CENTER
1994 REPORT TO THE TOWN OF DANBURY**

Nineteen ninety-four proved to be a very busy year for the Community Center. We offered three youth league programs (basketball, baseball/softball and soccer). Iyr basebakk.siftbakk origran saw iver 365 oartucuoabtsm 29 teams and 75 volunteers. The BCC basketball had more than 140 students playing every Saturday morning at the Center and the Middle School gymnasium. In addition to the youth leagues, we organized Middle School dances, instructional classes (aerobics, step aerobics, archery, art class, swim lessons, tap, ballet and jazz classes, karate classes, line dancing and tennis lessons, etc.). Mom and Tot Time, Adult Basketball, Badminton, Summer Playground, Summer Day Camp, Summer Senmior Camp, Newfound Theatre Company, a summer preschool program, summer baseball, summer basketball and our Hang Time Hoop Camp. Teh center also sponsored and organized 19 different fundraising events which included our annual March Ice Breaker Dance and our August Lobster and Chicken Supper, 1/20 raffle, Wild Video Dance and Midnight Madness. All of our success is due to the number of volunteers who donate their time to our programs.

Danbury residents participated in the following programs:

Archery	Baseball/Softball Program	
Art Class	Adult Basketball	Basketball League
Traveling Basketball	Hang Time Hoop	Teen Dances
Girl Scouts	Preschool Ghost Walk	Open House
Halloween Hike	Saturday Open House	Soccer League
Swimming	Tot Time	Diamond Baseball
Dance Depot	Playground Program	Project STREAMS
Project KNOTS	Mrs. Gregoire's Dance	Easter Egg Hunt
Midnight Madness	Wild Dance Video	

We would like to thank all Danbury residents who participated in the programs and special events. Special thanks are owed to all the parents who came out and supported the Bristol Community Center last year at town meeting. We had another successful year.

This year the Bristol Recreation Advisory Council painted the downstairs floor and continued with our ongoing building maintenance.

The Center thanks the School District for their continual support in all the BCC youth league programs. We would also like to express our sincere gratitude to Freudenberg NOK for their annual donation and their printing services, and RP Williams for their support in maintenance and upkeep of the 104 year old building. We can not thank them enough for all they do for our organization.

The Community Center will see its 49th year of service to the Newfound area and we hope you will help us celebrate by participating in the 1995 agenda of programs and special events.

LAKES REGION PLANNING COMMISSION

Below is a sample of the services provided as a benefit to the community.

- Provided the planning board chairman with examples of what to consider when requesting tax mapping and GIS services.
- Met with the planning board to discuss ways that the Commission might assist the town with mapping services.
- Provided Danbury's representative to the Commission with information, on request.
- Ordered and delivered to the town ten copies of the 1993-94 N.H. Edition of Planning and Land Use Regulation books.
- Co-hosted the annual Municipal Law Lecture Series and a new Spring Law Lecture Series where practicing attorneys provide a legal perspective on local planning, zoning and other municipal issues.
- Presented three public workshops for local land use boards on Code Enforcement of Environmental Regulations, Order 1 Mapping and the Americans with Disabilities Act in Moultonborough, Gilford and Franklin, respectively.
- Produced newsletters focusing on planning topics and issues relevant to the Lakes Region.
- Represented the region on the N.H. Advisory Committee for Governor's State Park along Lake Winnisquam.
- Participated as a member of the N.H. Heritage Trail Advisory Committee.
- Supported the continued use of modern geographic information system technology for regional and local planning applications.
- Completed a Public Transit Study for the Lakes Region, that helped initiate a fixed route system through the Lakes Region Community Services Council.
- Updated the Regional Housing Needs Assessment, as required in RSA 36.
- Prepared the Lake Winnepesaukee Watershed Project Model Ordinance Manual which contains model management practices for shoreland protection, erosion and sedimentation control, subsurface disposal and wetland protection.
- Retained regional interest in locating a state sponsored conference facility in the Lakes Region.
- Assisted the Lakes Region Heritage Roundtable with technical assistance.
- Acted as the Lakes Region's state data clearinghouse for local communities making census and other demographic and employment data available to local residents.
- Undertook continued transportation planning activities throughout the region including visits in each municipality by LRPC staff to elicit comments on transportation needs.

DANBURY BICENTENNIAL GROUP

The Danbury Bicentennial Group was formed by the Bicentennial Committee and is open to all interested residents who wish to make this year a memorable one in the history of our town.

We have planned for two days of celebration in addition to publishing a history of the town of Danbury. The first day of the celebration will be on Saturday, June 3rd, and then a birthday party and dedication of Independence Park on the actual date of our bicentennial, June 18th.

Our group meets every 1st and 3rd Wednesday at 7:00 p.m. in the Town Hall. If you have anything of interest to add to our history or celebration, please come to a meeting and share it with us.

DANBURY SENIOR CITIZENS' GROUP

For the past four years a group of 25 to 40 senior citizens from Danbury have enjoyed a boat trip around Lake Winnepesaukee on the "Mount Washington." This annual outing has been made possible by the town appropriation of \$300, with the Andover Lions Club paying the extra money needed in order to keep the trip free of charge to all seniors. Each year we ask the Lions to contribute a little more as the trip becomes more popular. For this reason we are asking for an additional \$50 this year.

KEARSARGE AREA COUNCIL ON AGING, INC.

Program growth and widespread support to the two-year-old COA confirm that we are successfully addressing important and previously unmet human needs. In 1994 our membership grew to almost 1200 individuals, and three new programs significantly expanded our services. New services include: (1) The Telephone Reassurance Program (daily phone calls), (2) The Good Day Respite Program for those with memory impairment, and (3) sponsorship of the area's Wellness Team which has started to promote illness prevention, physical activity, good nutrition, etc. Moreover, nine town socialization events occurred in the form of a winter luncheon, a spring bus trip, a summer picnic (Mountain Day), a volunteer recognition reception, and a Christmastime open house.

The busy office, now under the supervision of COA's first Executive Director, Celeste Hartwell, responded to many, many inquiries for information regarding senior issues and services. Almost 700 rides were scheduled. Mr. and Mrs. Fixits helped over a hundred times. Twelve interactive programs/activities in area schools and area communities involved seniors as either mentors or recipients in intergenerational exchanges. The monthly newsletter gained enthusiastic readership and continues to be mailed to every member.

Financial support came from every one of the nine towns as well as from generous individuals, grateful clients, local businesses and organizations, and grants from private foundations. Volunteers (250) are the hands that reach out to their neighbors, the real backbone and essential ingredient of COA's effective presence; they represent "people support," our greatest resource.

On behalf of our neighbors who are at the core of our mission, thank you to both our financial supporters and our volunteers (our people supporters). We look forward once more to another year of growth and service.
